

# WORLD FLOWER COUNCIL Spring 2010 NEWSLETTER

## NEWS FROM OUR CHAIRMAN

Dear World Flower Council Presidents, Leaders, Members and Guests,

### Naturally New Zealand" calls...

### "Think Awesome Auckland."

It is time now to register and book your hotel for Auckland. Crowne Plaza Hotel welcomes all World Flower Council members, guests and friends for September 27, 28, 29, and 30, 2010.

You, perhaps, would be happy to arrive on the 26th or earlier to be rested and relaxed for Malcolm's XXVII Annual World Flower Council Summit, hosted by Garry and Marlene Watts, their daughter, Julienne Hales and Malcolm Angus.

Crowne Plaza Hotel is keeping space, before and after the summit to accommodate your needs ~ have your photo made with a Kiwi, the New Zealand exclusive National Bird. You will view International botanic in "Flowers & Fabric", an expression using quilts and fabrics of many styles and designs. The floral designs shown with each will be by featured WFC Artists.

Enjoy a New Zealand wine tasting and a featured Guest International Designer presentation and workshop. Visiting cymbidium orchid growers is a must for every member. Count on the International World Flower Council member artists at work on the Feature Design Day. This is going to be a unique experience for many of our WFC designers to create 'down under' for their very first time .

There will be tours of local areas of the Auckland region (North Island) during the summit. Details of the pre and post tours including both the North and South Island, are available from Home office.

Most of all, be a part of "Naturally New Zealand." The schedule and registration details are included in this newsletter. **Please register now.** Malcolm and his team are emailing periodic updates to keep you abreast of all their plans. Each publication has a new "super teaser" included.

See you in Auckland!
